Finland-China Business and Investment Summit

Free Event Except Optional Lunch and Evening Reception
October 15-16, 2018
Location: Aalto Univ. School of Business, Runneberginkatu 14-16, Helsinki

Organisers
The Finnish Chinese Business Council,
Aalto University School of Business, and
China Tekway Oy.
Introduction

China’s belt and road initiative presents increased opportunities for Chinese firms to do business in Finland and Finnish firms to do business in China—the world’s second largest economy and a rapidly growing market. As the closest point in Europe to China—with direct flights to seven cities in China, and with complementary skills—Finland is an ideal place for Chinese firms to start their business in Europe. The Second Finland-China Business and Investment Forum will help you grasp the opportunities this creates.

Based on the success of last year, the Finnish Chinese Business Council, China Tekway Oy and Aalto University School of Business will organize this year’s event with support of the Parliament of Finland, Chinese Embassy to Finland, Business Finland, the Federation of Finnish Enterprises and City of Helsinki. Delegations of executives and investors from China and many leading executives of Finnish companies are expected to attend the event which will include a business forum and opportunities to take part in industry-focused face-to-face match-making to explore opportunities for concrete business cooperation.

The summit will be held in the morning of 15th of October at the Aalto University School of Business. Match-making forums for companies will be arranged in the afternoon. The forums will focus on different industries:

1. Bioeconomy, Energy and Cleantech (Room C331)
2. IT, Networks and Digitalisation (Room A306)
3. Health and Wellbeing (Room A307)
4. Tourism, Sports, Education, and Other (Room A308)

On the 16th of October China Tekway will organize opportunities for interested Chinese delegations to visit leading firms and organizations in several cities in Finland.
October 15th
Summit
The event coordinator holds all the rights for any change in the program.
